Dear authors,

The article titled ANÁLISE DAS RELAÇÕES ENTRE INOVAÇÃO E SEUS IMPACTOS NAS EMPRESAS BRASILEIRAS NO TRIÊNIO 2006-2008 submitted to SIMPOI 2011 was chosen as a candidate for publication in our electronic magazine JOSCM - JOURNAL OF OPERATIONS AND SUPPLY CHAIN MANAGEMENT.

Our journal is indexed in EBSCO and by the end of the year will be reviewed by Qualis / CAPES.

If you has not sent your article for publication in another academic journal, we would like to invite you to publish in our magazine. This requires submitting a new version of the article in English, **until 15/10/2011** through JOSCM's system - www.joscm.fgv.br/sistema, not forgetting to put the word "**FAST TRACK**" before the title of your article.

All papers must be written in English. Each journal issue contains eight articles on average, two issues per year. The current issue is VOLUME 4 NUMBER 1.

Your article will be subjected to a new assessment to fit the standards of publications in academic journals and we also ask you to accept occasional suggestions for revision on the article, submitted by JOSCM reviewers (double blind review).

We await the new submission and appreciate your interest.

Please, let us know about your interest as soon as possible.

Sincerely,

JOSCM EDITORIAL TEAM
